

POWER OF ATTORNEY

The undersigned,

gives power to represent him, as a duly appointed attorney, to

e-Patent S.A.
RUE SAINT-HONORE, 1
CASE POSTALE 2510
CH – 2001 NEUCHATEL

in connection with the invention entitled

Application number (if already known):

The above attorney is authorized to act before the Swiss Federal Institute of Intellectual Property and before any competent administrative or judicial authority to complete any formality which is necessary for obtaining, maintaining and defending the solicited protection. The attorney is also authorized to file divisional applications, to act after the grant of the protection right sought to partially or totally withdraw the solicited protection including any patent(s) that may has(ve) been issued, to delegate all or part of the powers hereby granted, to make or receive payments on behalf of the principal(s). Any previous authorization(s) relating to the above invention is hereby revoked. Unless expressly cancelled by the principals, this Power of Attorney shall not lapse on any of the grounds provided for in Sections 35 and 405 of the Swiss Code of Obligations. In any dispute or litigation arising from the present Power of Attorney, the undersigned expressly accepts the competence of the Courts of Neuchâtel and the application of Swiss law.
